

**Report of the AILG IT/Telecomm Committee,  
a new subcommittee of AILG Facilities Committee  
March 14, 2007**

1. Presented a successful IT/Telecomm 101 IAP Course in January - 15 student attendees
  
2. Deepen relationship with MIT's IS&T (Information Systems & Technology Dept).
  - Maintain ILG net contacts list
  - Plan September IT Orientation
  - Discuss and advise on policy questions
  - Monitor fiber usage
  - Investigate cable TV options
  - Seek "pilot" opportunities (e.g. VOIP)
  
3. With FSILG Cooperative, recommend and oversee IT Contractors.
  - Maintain qualified vendor list
  - Monitor contractor work
  - Assist with IRDF Applications

Questions can be addressed to committee members or to ailg-it (at) mit.edu. The current committee consists of Ash Dyer '06 Chair, Craig Rothman '05, Alicia Hunt '94 John Covert, Oliver Thomas '94 IS&T, and Stuart Peloquin IS&T. New members with technical expertise are very welcome.
